

## Homework 3: Due Session 4

**1. Required Readings:** ch2\_userexperience.pdf;  
ch7\_navigation.pdf;

### **2. Flash Assignment:**

- Create **two** of your index & corresponding subpage wireframes in Flash on a timeline prepared for a prototype.
- Spend at least 2 hours playing in Flash. You could begin the creation of an "Under Construction" page in Flash. Try keyframe animation or Motion Tweens for this.

### **3. Project Notebook:**

- Creative warm-up: Sketch & color a number of different logo/title compositions.
- Portfolio display: Paste in at least 3 images/printouts of your work. Optional: embellish with borders—try different color combinations.
